DURFEE BELLS ARE COMING HOME!

Late this summer the Durfee bells will be installed in the new Durfee bell tower on Elsbree Street. It has been nearly 10 years since the bells were shipped off to the Meeks Watson bell foundry in Georgetown, Ohio to be refurbished and tuned.

Since the publication of the last edition of the Chimes, a lot has been accomplished. Construction details were finally completed and the last of the engineering approvals was obtained in June of 2010. On July 21, we rejoiced as the first shovelful of dirt was turned and a massive 10 foot deep, 20 by 20 foot hole was dug for the tower foundation near the entrance to the Durfee High School sports complex. Over the following 3 weeks, forms were built and the hole was filled with over 100 tons of crushed stone and 50 cubic yards of concrete. The anchors to hold the tower in place were embedded in the concrete and in late August, galvanized steel was trucked in and construction of the tower began in earnest. Members of the Durfee Bells Preservation Society were on hand to witness every beam being raised in place as the main portion of the tower rose to its full height of 52 feet. On top of the tower, the 8-ringed, open frame steeple was hauled into place by an 80 foot crane on September 9th.

The “topping off” ceremony was attended by about 50 Durfee alums and friends who applauded the installation of the finial – the final piece at the very top of the tower that brought the finished height to 77 feet above the surrounding Durfee campus. Those who have been to the top can attest to the magnificence of the view from that dizzying height.

Painting of the structure was done in colors selected by the architect, John Lusk of Bristol RI and then, on a bright, chilly but mostly windless November day, the 4 majestic, 8 foot diameter clocks were installed. The clocks were a gift from the Robert Curry family and Rev Shirley Andrews in loving memory of Janice Curry who, together with Dr. Ira Rex, Paul Vaitses and a few others began the project to restore and re-hang the Durfee Bells more than a decade ago. The onset of winter brought work at the tower site to a temporary close.

In March, Bell Master Rick Watson, came to Fall River from Ohio to take final measurements for the chime frame that his company is fabricating to support the nearly 10 tons of bells that will make up the Durfee chime.

There were 10 bells in the original Durfee chime. One was stolen while the bells were in storage and a new bell has been cast to replace it. The stolen bell has yet to be recovered. About 1910 – 25 years after the Durfee bells were made, the Meneely Bell Foundry began marketing what Mr. Meneely called a “Star Spangled Banner Chime.” It consisted of 14 bells. Our new chime frame and all the associated bell playing apparatus is being designed to support 14 bells. The committee hopes that donors will come forward to help procure the four additional bells that are needed to complete the 14 bell chime. The smallest of the new bells is valued at \$6,700 and the biggest will cost \$22,900. The name of a donor and a brief message or saying can be cast into the metal of any of the new bells.

Once the chime frame is completed – probably in July, it will become an integral part of the tower and the bells will be brought home and installed. Landscaping and the laying of the engraved brick Pathway of Memories will be held off until the bells are installed so that the heavy equipment used in the bell installation will not damage the new walkway. This will allow an additional opportunity for those who want to purchase memorial bricks to do so probably through the end of June.

There are still parts of the project that remain to be accomplished but all of the money raised to date will have been spent once the bells are in place and the landscape work is finished.

The following is yet to be done. Estimated costs are in parentheses.

1. The area around the clocks needs to be enclosed. (\$24,000)
2. Bird screening needs to be installed around the bells. (\$5,000)
3. The bottom level must be enclosed to protect the ringing equipment. (\$28,000)
4. Ringing equipment needs to be designed, built and installed to enable manual ringing of the bells. (\$32,000)

The historic bells were a gift to the city of Fall River from Mary Brayton Durfee Young in honor of her son, Bradford Mathew Chaloner Durfee. The bells hung for more than 100 years in the steeple of the old Durfee High School building on Rock Street. Several traditions were instituted in those years including the tradition that the big tenor bell was rung 29 times – once for each year of the life of B.M.C. Durfee’s life – at 8:10 AM each school day. There are several stories as to how that tradition was begun but it can be said with certainty that there was no such condition imposed by Bradford Durfee’s mother in her deed of gift. The daily ringing of the bell was most likely simply a “wake up call” that the school day was about to begin and students were expected to be in their home rooms within the next 5 minutes. However that tradition began, none of the students who attended the “old” Durfee will forget it and no student now at Durfee has ever experienced it.

Please use the form on Page 11 to help us reach the final goal to finalize the entire project. Naming opportunities are still available.

“IN MEMORIAM”

Distinguished Alumnus
Brigadier General John J. Liset
 Class of 1938
 Award Presented 1993
 Passed away May 5, 2010

Distinguished Alumnus
Dr. William Tompkins
 Class of 1939
 Award Presented 2008
 Passed away December, 2010

In addition to the passing of two of our Distinguished Alumni recipients, there were over 220 other Alumni members who passed away in 2010 in ages ranging from 33 years to 106 dating from the Class of 1927 to date.

Our Treasurer Jan O'Brien reported at a recent monthly meeting that some 16,000 Chimes went out last year at a cost of 61c each and resulted in a deficit; this simply means that unless we can count on more support in the form of joining the Red & Black Club on Pages 6 & 7 we may have to cut back or reduce the amount of Chimes going out so we humbly ask for your help in our efforts by using the form on Page 11 to join the Red & Black Club.

THE KERR MILL BOYS OF WORLD WAR II

The American Thread Company, perhaps better known as the Kerr Mill complex of three large buildings along Martine Street was one of the largest employers in the State with some 1,800 employees before World War II broke out and approximately 565 of them joined the Military effort on behalf of the grateful Nation which saw 20 of the “Kerr Mill Boys” paying for freedom with their lives.

Shortly after the War’s end, the management of the American Thread Co. had a large granite monument placed in front the original building on Martine Street on September 20, 1948 and the story printed in the Fall River Herald News the following day. Time passed and in 1966, the monument was moved to Eastern Avenue and Jepson Street with the assistance of the five Gold Star Mothers in attendance and the War Veterans Council as the monument had fallen into disrepair. In total the monument has stood in those two sites until the War Veterans Council felt it was “lost” in the area where Route 6 used to be a regular route from Fall River to Westport at the Narrows and requested of the City the approval to move it to its new and final site, just a few yards from its original place on Martine St., at the bend of the road at Brayton Avenue and Eastern Avenue alongside the South Watuppa Pond flanked by a donated flag pole and work done by the City. The photo is at the end of this story.

I believe this was the second monument dedicated to the War Dead of World War II, the first Fall River casualty being Staff Sgt. James T. Griffin who was Killed in Action in Germany. His monument is at the corners of Fourth, Fifth and Branch Streets in the Corky Row Section with the playground named in his honor.

The following are the 20 “Kerr Mill Boys” and the data released to the Fall River Herald News of their status or directly from War Records Division of the Commonwealth through the Veterans’ Services Department in Fall River:

S1C USNR Vincent Bonin, Spring 1945, So. Pacific
Pfc George T. Cadrin 4/11/45 at Okinawa
S2C USNR James Connolly, 2/7/43 in No. Atlantic
S1C USNR Edward Correia, 3/19/45 aboard USS Franklin, Aerial Attack
Pfc Armand Croteau, 2/1/45 in Italy
Pvt. Robert N. Dozois, October 24, 1944 in Italy
Pfc Manuel R. Furtado, August 7, 1944 in France
Pvt. Normand Gignac, July 26, 1944 in France
Pfc Milton Healy, January 25, 1945 in France
Pfc Thomas E. Keavy, February 29, 1944 in Italy
Cpl Vincent G. Lord, Christman, 1944 in France
Pfc Charles Medeiros, January 15, 1945 in Belgium
Pvt Albert Metras, September 14, 1942 in the Solomons
Pvt Richard Roach, October 3, 1944 in Germany
Pfc Antone Valton, January 3, 1945 in France
Pfc Arthur A. Yokel, August 16, 1945 in Germany
Pfc Harold Nickerson MIA Leyte, KIA as of 12/9/45
T/5 William Snyder April 22, 1945 in Germany
Pvt. Joseph G. Bouchard November 12, 1943
Pfc Francis Walkden September 26, 1944

The Fall River Public Library was very well equipped with data from the Fall River Herald News regarding the additional data other than the names of the deceased veterans and find that they are a remarkable place to research almost any veteran of any war.

The original work place of the “Kerr Mill Boys” no longer stands since January of 1987 when a major fire destroyed the three buildings which once stood along the South Watuppa Pond which became a large discount store much like Arlan’s on Rodman Street, which suffered the same fate.

Southern Reunion

From far and near, in distance and age, from the Class of '37(Joe McGrady) to the Class of '81(Kathleen Cloutier Silva), they came; from Marco Island to Sarasota and Miami. On a Sun washed Saturday, March 5th with 80 degree temp 184 Durfee graduates and their guests renewed old friendships and made new ones at our 36th Southern Reunion.

The venue of Spanish Wells Country Club in Bonita Springs was the setting for the Noon reunion where all enjoyed a sumptuous lunch.

The camaraderie and opportunity to meet once again with memories and old-time songs, especially the Alma Mater, most of which remembered.

After introductions of all attendees raffles and auctions were held for the Scholarship Fund in the amount of \$ 5,500.00. We had an unbroken succession of classes from '45 to '66, with the 12 attendees from the Class of '54 as well as the Class of '60. We don't know where next year's Southern Reunion will be held as the Country Club has been sold, but please do not hesitate to contact us at (majorwheelock@comcast.net) if you would like to help or become a part of the Reunion.

*Yours,
Major Wheelock '54*

Raise our praises high to Durfee,
Alma Mater dear.
Tow'ring high beside the river,
Radiant beacon clear.

God preserve for Alma Mater,
Standards staunch and true.
High aloft we'll lift her banner
Bright with Durfee's hue.

Love and praise we render ever,
Voices raised on high.
Loud we sing of Durfee's glory,
To the earth and sky.
